FOCUS

SCREEN STARS

Max out on screen time with one of these artistic designs

1 Pearl Lowe's guest bedroom features an old screen found in a local antique shop. Taken from her latest book, *Faded Glamour*. £19.99. pearllowe.co.uk **2** Interior designer **Natalia Miyar**, together with Frederick Wimsett's theatrical artistry, created a bespoke screen for the master bedroom of a private house. nataliamiyar.com **3** Papillon screen by **Tom Faulkner** based on shapes between boulders at the Joshua Tree National Park. Finished in butterfly colour wave, standard or specialist finish, £10,000. tomfaulkner.com **4** Arabella Bassadone, of **Maison Arabella**, looked to the old heavens for her lacquer, timber-frame screen with mirror panels and bespoke Fromental paper. Screen Objet, £POA. maisonarabella.com
